Faith Before Feeds

Scripture Before Scrolling

Read Scripture. Unlock your apps.

When you reach for a distracting app, Faith Before Feeds invites you to pause for a quiet moment in God's Word before you scroll.

1

Scrolling steals what matters

Choose the distracting apps you want to place a healthy boundary around.

2

Put faith before feeds

Pause and read a short passage of Scripture before your chosen app opens.

3

Earn your time back

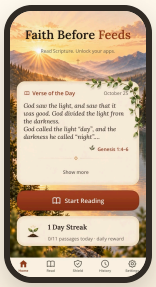

Enjoy timed access to your apps with a clearer mind and a stronger faith.
